PROFESSIONAL EXPERIENCE

Founder & Managing Director | DigiFox Technologies

March 2024 – Present | Colombo, Sri Lanka

- Founded and lead a comprehensive digital services company providing web design, SEO, digital marketing, software development, e-commerce solutions, branding, and content services.
- Manage end-to-end project delivery for multiple clients across diverse industries, ensuring high-quality deliverables and client satisfaction.
- Develop and implement digital transformation strategies to enhance client business operations and online presence.
- Lead business development initiatives, client relationship management, and strategic planning for company growth.

Information Systems Assistant | NIIBS Campus

February 2021 – Present | Kelaniya, Sri Lanka

- Support information systems and technology infrastructure for a government-recognized degree-awarding institution.
- Manage technical operations including web development, social media management, system maintenance, and IT support for academic and administrative functions.
- Collaborate with cross-functional teams to implement technology solutions that enhance educational delivery.
- Previously served as Trainee (August 2020 – February 2021), gaining foundational experience in institutional IT operations.

Founder & Editor-in-Chief | TEC ROOM

March 2020 – Present | Colombo, Sri Lanka

- Founded and operate Sri Lanka's leading Sinhala-language technology platform, publishing news, reviews, tutorials, and product analyses.
- Create professional-level technical content to democratize technology knowledge for Sinhala-speaking audiences.
- Developed user contribution platform enabling community-driven content updates and knowledge sharing.
- Manage full technology stack, content strategy, SEO optimization, and audience engagement initiatives.

Main Editor | Cyber Crew of SICT

January 2024 – Present

- Lead editorial initiatives for a community supporting students in becoming IT professionals, curating technical content and educational resources.

Web Content Writer | Colombo Journal

January 2023 – Present

- Produce expert-level articles for an open-source online content community featuring Sri Lankan professionals.

Social Media Manager & Web Administrator | NIIBS Book Store

December 2022 – Present

- Manage digital presence for Sri Lanka's largest online Chinese bookstore, overseeing website administration and social media strategy.

Associate Member | AICTP (Association for ICT Professionals)

February 2026 – Present
